

# Community Support

## TOGETHER, WE CAN EMPOWER OUR YOUTH

The VIP Afterschool Program provides critical academic support, enrichment, and life skills training to underserved students in grades 9–12. To sustain and expand our impact, we rely on strong partnerships with local organizations and government agencies.

### THE NEED IS REAL

#### ACADEMIC GAPS

Many students struggle with core subjects and lack access to tutoring outside the school day.

#### LIMITED RESOURCES

Our students face barriers like food insecurity, mental health challenges, and limited extracurricular opportunities.

#### WORKFORCE READINESS

Students need exposure to careers, internships, and skill-building experiences to prepare for the future.

#### GROWING DEMAND

Enrollment continues to grow, and we must expand to meet the needs of more youth in our community.

### HOW LOCAL PARTNERS CAN MAKE A DIFFERENCE

#### PROGRAM SUPPORT

Help fund tutoring, college prep, and enrichment activities that promote academic success and personal growth.

#### SPACE & RESOURCES

Provide access to facilities, technology, supplies, or meals to enhance the afterschool experience.

#### MENTORSHIP & CAREERS

Offer mentorship, job shadowing, and internship opportunities that inspire and prepare our students.

#### ADVOCACY & AWARENESS

Amplify the importance of afterschool programs and support policies that invest in youth and education.

#### VOLUNTEER & ENGAGE

Share your time, talents, and resources to make a lasting impact on our students' lives.

#### LOCAL GOVERNMENT SUPPORT IS CRITICAL

- ✓ Invest in afterschool and summer learning initiatives
- ✓ Provide grant funding and sustainable resources
- ✓ Support safe transportation and facility access
- ✓ Champion policies that reduce barriers for youth and families

“ When we invest in our youth, we invest in a stronger, safer, and more prosperous community for all. ”

**YOUR PARTNERSHIP CREATES LASTING CHANGE**
