Student Life & Leadership
Campus Clubs and Organizations

Student clubs and organizations are a great way to make new connections, learn more about your field of study or find a new hobby. We have compiled this list of our currently active clubs. There are times when certain clubs are inactive due to a lack of an advisor, members, etc. However, all inactive clubs can be reactivated through the Student Life and Leadership office. Additionally, students can start clubs if they do not see one that piques their interest. Contact club advisors for more information on joining a particular club. **We welcome participants of any Race, Sex or Ethnicity.**

Contact Jeannette Clugsten, Coordinator of Clubs and Organizations at clugstej@mccc.edu for general club information.
