## Transfer Opportunities

Mercer's **transfer programs** make it easy for you to move on to other colleges and universities. Hundreds of Mercer graduates transfer successfully each year to many highly regarded bachelor's degree-granting institutions.

Our **dual admissions agreements** with The College of New Jersey, Montclair State University, Rider University, Rutgers University, Penn State Abington, Saint Peter's College, Wilmington University, and New Jersey Institute of Technology and our **transfer agreements** are ideal for students wishing to earn a bachelor's degree. These agreements enable Mercer students to predict how their course credits will transfer.

MCCC's **special partnerships** with Fairleigh Dickinson University, Felician College, and William Paterson University make it convenient for students to finish certain bachelor's or master's degrees on-site at Mercer. The college also supports local students pursuing certain University of Delaware bachelor's degrees via distance learning.

For those who are undecided about transferring, the college maintains resources and offers appointments to students to explore options at other colleges and universities. Mercer is just the beginning!

**For more information about the transfer opportunities at Mercer, call Transfer Services at (609) 570-3397, visit [www.mccc.edu](http://www.mccc.edu), or email [transfer@mccc.edu](mailto:transfer@mccc.edu).**

**ENG—English**

Course descriptions, prerequisites, corequisites >>>> [www.mccc.edu/courses/ENG](http://www.mccc.edu/courses/ENG)

**Note:** Initial selection of an English composition course is determined by a placement test. Call the Liberal Arts Division or the Academic Testing Center for details. English courses are sequential. Therefore, a student must satisfy the composition requirement - with a minimum grade of C in ENG102 - before taking literature (200 level) courses. Applicability of credits in courses below the 100 level toward degree requirements is limited.

**Note:** The English Department offers sections of English Composition I and II that are specifically designated for non-native speakers of the English language. For more information, contact Fran Davidson, (609) 570-3852.

**ENG101/102 TVC:** Students who register for TVC (distance learning) classes of ENG101 or ENG102 are required to write two essays, one at the beginning of the semester and one at the end, in the Academic Testing Center on the West Windsor campus. Further information about this requirement can be obtained by calling (609) 570-3308.

Mercer's HRIM programs offer a perfect blend of theory and practice. The A.A.S. program in Hotel Restaurant and Institution Management caters to students destined for a management position within the food service and/or lodging industry and includes a comprehensive internship opportunity.

Mercer's Professional Cooking and Professional Baking certificate programs prepare individuals for **immediate** entry into the industry. Graduates can obtain positions in food production departments for hospitals, nursing homes, restaurants, hotels, conference centers, catering operations and other food service businesses.

Other options include Chef Apprenticeship and Culinary degree programs; phone (609) 570-3447 for details. For information on Mercer's articulation program with the University of Delaware and Fairleigh Dickinson University, phone (609) 570-3476.

Applicability of credits in courses below the 100 level is limited. Students who have completed math courses at another college must present transcripts.

Mathematics Placement: Students not required to take pre-college review mathematics should take the Mathematics Course Placement Test to determine the appropriate level of math. A pre-test and authorization form may be obtained at the Liberal Arts Division office (LA 162) or from a counselor. The placement test is given in the Academic Testing Center, and the results are discussed and reviewed with a member of the mathematics faculty.

**NUR—Nursing**Course descriptions, prerequisites, corequisites >>>> [www.mccc.edu/courses/NUR](http://www.mccc.edu/courses/NUR)Course descriptions, prerequisites, corequisites >>>> [www.mccc.edu/courses/NRS](http://www.mccc.edu/courses/NRS)Course descriptions, prerequisites, corequisites >>>> [www.mccc.edu/courses/NSG](http://www.mccc.edu/courses/NSG)

With starting salaries now above \$45,000 and a New Jersey shortfall of RNs, the nursing profession offers excellent career opportunities for qualified students. Be sure to ask about **scholarship** opportunities.

The **MCCC Nursing program** culminates in the A.S. degree and candidacy for licensure as a registered nurse (RN). Instruction combines clinical experience in area hospitals with on-campus lectures and lab classes. Full-time, part-time, and online hybrid options are available in either day or evening/weekend programs. Licensed practical nurses are eligible for advanced standing. For application materials and program information, contact the Admissions office at (609) 570-3795 or e-mail [martinl@mccc.edu](mailto:martinl@mccc.edu).

The college also conducts two other nursing programs, one in collaboration with **Capital Health System (CHS)** and the other in conjunction with **St. Francis Medical Center (SFMC)**. These programs culminate in a nursing diploma awarded by the hospital and the A.S. degree conferred by the college. For information about these cooperative programs, contact the college's Admissions Office or the director of the respective nursing program as follows: CHS 394-4050 or SFMC 599-5190.

**OHT—Ornamental Horticulture**Course descriptions, prerequisites, corequisites >>>> [www.mccc.edu/courses/OHT](http://www.mccc.edu/courses/OHT)

The Ornamental Horticulture program provides practical and theoretical instruction to prepare students for positions in landscape planning, floral design, and greenhouse, nursery and turfgrass management. For additional information, call Professor Amy Iseneker, program coordinator, at (609) 570-3372 or e-mail [isenekaa@mccc.edu](mailto:isenekaa@mccc.edu).

# Placement Testing

A placement test measuring English and mathematics skills is a requirement in the MCCC admissions process to determine student eligibility for certain courses and programs. The exam does not affect admission to the college. Completed in approximately two and a half hours, the test includes a timed essay followed by untimed multiple choice questions. Prospective students are encouraged to thoroughly review the sample essays and practice questions found in the placement testing section of the MCCC website.

- Evidence (college transcript) of college-level English or mathematics courses.

All documentation of scores and transcripts should be submitted to the Enrollment Services Office upon application to the college.

If English is not your first language, call 609-570-3244 to arrange for the English as a Second Language placement test.

## EXEMPTIONS FROM TESTING

- 540 on the SAT critical reading exempts students from the English testing;
- 530 on the SAT mathematics exempts students from the basic math testing, but qualifies students for college-level math placement testing;
- 21 on the ACT exempts students from the English and basic math testing and qualifies students for the college-level math placement testing;
- A degree from an accredited U.S. college or university (transcript required);

## ARRANGEMENTS FOR TESTING

After completing a college admissions application and obtaining a MCCC student I.D. number, students may arrange to take the placement test by contacting the preferred testing location: the Academic Testing Center at the West Windsor Campus (609-570-3295) or the Beverly A. Richardson Testing Center at the James Kerney Campus (609-586-4800 ext. 6695).

Special accommodations for testing may be arranged through the Office of Special Services at 609-570-3525.

## Payment and Refund Policy

Prior to the start of any semester (or equivalent), a student can freely modify his or her schedule by adding and dropping classes without approval or penalty. Any monies paid by the student (tuition and fees) for a course dropped during this period will be refunded.

Once a semester begins, students must drop any class prior to the deadline specified below in order to be eligible for a refund for that class. There are no refunds other than full refunds, which are processed each Monday in the form of a check and mailed to the student.

**Deadlines for refund eligibility** differ according to class session length. A class must be dropped "no later than" the specified number of business days following the initial meeting day of that class:

- within 3 days ...for classes lasting more than 13 weeks
- within 2 days ...for classes lasting from 10 to 13 weeks
- within 1 day ...for all other classes

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal, with **no refund of tuition or fees**. *Please be aware that dropped classes or withdrawals can cause adjustments to any financial aid awards.*

**No refund of tuition or fees** will be made to a student who is withdrawn (WI) from a course by an instructor due to non-attendance or who is dismissed from the college for cause.

## Academic Schedule, Tuition

**Classes begin August 30 for the regular 15-week semester.**

See pages 58-59 to register online, in person, by FAX or by mail before August 25 to avoid late fees (for later starting courses, see chart below).

Any student who registers after the deadlines below will incur a \$35 late fee. Further, special divisional permission may be required. It pays to register early! Questions? Call Registration at (609) 570-3228.

### Payment and Refund Policy

NOTE: **NEW** policy (see page 55) now in effect.

# Paying for Your Education

Community colleges charge the lowest tuition and fees of all higher education institutions. Mercer County Community College receives significant support from Mercer County and the State of New Jersey, but courses are not free. Students are required to pay for a portion of their education. To determine the cost of a course, consider tuition and college fees, special course fees, books and supplies.

## Tuition and Fees

Tuition and college fees are calculated on a per-credit basis. The table on page 56 will help you determine how much you owe based upon the total number of credits you are taking and your residency. Besides regular tuition and college charges, some courses carry an additional fee. These are indicated in the Course Listings (pages 11-45).

## Books and Supplies

Students must purchase their own textbooks and supplies. The Mercer Bookstore (see page 52 for hours and locations, or order online at [www.mccc.bkstr.com](http://www.mccc.bkstr.com)) guarantees the availability of these for any course offered at MCCC. Costs range from \$1 to more than \$150, with the

average course costing \$100. Acceptable methods of payment include cash, credit card, and financial aid (checks not accepted).

## Payment of Course Costs

Tuition and fees are due by Friday, July 16, 2010 for all Fall semester students who have registered by that date. After that date, payment is due when you register. You can pay by cash, check, money order, VISA, MasterCard or American Express. Payment can be made in person, by mail or at [www.mccc.edu](http://www.mccc.edu) if you use a credit card. Questions about your bill should be directed to the Bursar's office at (609) 570-3499.

## Financial Aid

Our financial aid staff will answer your questions and help you complete the forms. However, processing may take up to 60 days, so apply as early as possible — even before completing an application for admission.

You will be considered for all federal, state and MCCC financial aid if you complete the **Free Application for Federal Student Aid (FAFSA)**.

Help is available at the Financial Aid Office on the second floor of the Student Center and the Student Services Office in room 218 at the James Kerney Campus.

Info: (609) 586-4800, ext. 3210 (WWC) or ext. 3180 (JKC), or [finaid@mccc.edu](mailto:finaid@mccc.edu).

## Unemployed?

Tuition may be waived for unemployed persons during Late Registration only. Consult your local unemployment office for benefit details.

## Senior Citizens

Mercer County residents who are 65 or older may enroll without paying full tuition, but are responsible for all fees. Eligible students must register at the West Windsor Campus or James Kerney Campus and pay the applicable semester fees.

## HOPE Scholarship

You may be eligible for up to \$1500 in tax credits. Details at [www.irs.ustreas.gov](http://www.irs.ustreas.gov).
