A growing number of students are taking distance learning courses through MercerOnline. Taking courses via the Internet allows students to choose when and where they learn. MercerOnline offers convenience and flexibility to those with busy lives and unconventional schedules. Success in an online course requires commitment and high motivation to complete assignments.

### Taking an Online Course (Web-Based)

To take an online course, you need access to a computer, Microsoft Word-compatible software, a web browser such as Internet Explorer or Mozilla Firefox, and reliable access to the Internet. Students enrolled in online courses should be comfortable using a computer and navigating the Internet.

### Taking a Blended Course (In-Person and Online)

Blended courses, involving both web technology and the traditional classroom, deliver the best of both worlds: on-campus instruction and distance learning wrapped into one course. "Face to face" meeting times are noted on your schedule.

**Refer to pages 7 and 15-36 for MercerOnline offerings among all Winter Session and Spring 2016 course listings, identified as "WEB" for class type.**

ENG—English		Course descriptions, prerequisites, corequisites > <a href="http://www.mccc.edu/courses/ENG">www.mccc.edu/courses/ENG</a>								
<b>Note:</b> Initial selection of an English composition course is determined by a placement test. Call the Liberal Arts Division or the Academic Testing Center for details. English courses are sequential. Therefore, a student must satisfy the composition requirement — with a minimum grade of C in ENG102 — before taking literature (200 level) courses. Applicability of credits in courses below the 100 level toward degree requirements is limited.										
<b>Note:</b> The English Department offers sections of English Composition I and II that are specifically designated for non-native speakers of the English language. For more information, contact Fran Davidson, (609) 570-3852.										
<b>ENG101/102 WEB:</b> Students who register for MercerOnline classes of ENG101 or ENG102 are required to write two essays, one at the beginning of the semester and one at the end, in the Academic Testing Center on the West Windsor campus. Further information about this requirement can be obtained by calling (609) 570-3308.

## MAT—Mathematics

Course descriptions, prerequisites, corequisites > [www.mccc.edu/courses/MAT](http://www.mccc.edu/courses/MAT)

**Note:** Initial selection of a mathematics course is determined by the results of a placement test. Contact the Math, Science & Health Professions Division or the Academic Testing Center for details. Applicability of credits in courses below the 100 level is limited. Students who have completed math courses at another college must present transcripts.

Mathematics Placement: Students not required to take pre-college review mathematics should take the Mathematics Course Placement Test to determine the appropriate level of math. A pretest and authorization form may be obtained at the Math, Science & Health Professions Division office (MS 126) or from a counselor. The placement test is given in the Academic Testing Center, and the results are discussed and reviewed with a member of the mathematics faculty.

The James Kerney Campus of Mercer County Community College, a modernized educational facility serving as the educational hub for downtown Trenton, encompasses James Kerney Hall, Trenton Hall, and the Career Center. Opened in Fall 2012, the new Trenton Hall houses a fashion design sewing laboratory, art and design studio, and Mac PC design laboratory.

The campus features state-of-the-art biology and chemistry laboratories, five high-tech computer labs, a pre-nursing and healthcare suite, seminar rooms, a multipurpose community room, and Student Commons. Additional student services include the comprehensive Dr. Beverly A. ## Dr. Beverly A. Richardson Learning Center

The BAR Learning Center (KC 311) provides an environment that encourages learning and academic achievement. A large computer area with flexible hours is available to all MCCC students. Tutors and support staff are available throughout the semester.

KC 319-335 within the Learning Center are media-equipped rooms, KC 319 being a high-tech classroom designed for cross-campus “learning without leaving.”

In addition, the BAR Learning Center accommodates James Kerney Campus testing. Your academic journey begins with the Accuplacer, a mandatory test to ensure that you will be registered for appropriate courses in a particular area of study. The testing staff can be contacted daily at (609) 570-3151, or students are encouraged to stop by in person to set up an appointment for testing and to pick up a sample test manual. Tutors are available to assist all potential students.

The Center also provides credit course progress testing. A recent addition to the James Kerney Campus is testing for the TASC (High School Equivalency Exam) through McGraw Hill-TASC. Call (609) 570-3151 or 570-3185 for details.

## Placement Testing

A placement test measuring English and mathematics skills is a requirement in the MCCC admissions process to determine student eligibility for certain courses and programs. The exam does not affect admission to the college. Completed in approximately two and a half hours, the test includes a timed essay followed by untimed multiple choice questions. Prospective students are encouraged to thoroughly review the sample essays and practice questions found in the placement testing section of the MCCC website.

## Exemptions from Testing

- 540 on the SAT critical reading exempts students from the English testing;
- 530 on the SAT mathematics exempts students from the basic math testing, but qualifies students for college-level math placement testing;
- 21 on Math ACT and 21 on Reading ACT exempts students from the English and basic math testing and qualifies students for the college-level math placement testing;
- A degree from an accredited U.S. college or university (transcript required);
- Evidence (college transcript) of college-level English or mathematics courses.

All documentation of scores and transcripts should be submitted to the Enrollment Services Office upon application to the college.

If English is not your first language, call 609-570-3438 to arrange for the English as a Second Language placement test.

## Arrangements for Testing

After completing a college admissions application and obtaining a MCCC student I.D. number, students may arrange to take the placement test by contacting the preferred testing location: the Academic Testing Center at the West Windsor Campus (609-570-3295 or e-mail [wwtesting@mccc.edu](mailto:wwtesting@mccc.edu)) or the Testing Center at the James Kerney Campus (609-570-3151 or e-mail [jkctesting@mccc.edu](mailto:jkctesting@mccc.edu)).

Special accommodations for testing may be arranged through the Office of Special Services at 609-570-3525.

## Payment and Refund Policies

Deadlines for refund eligibility and avoiding Late Registration fees: Please note the “Key Dates” specified at left.

A one-time \$35 Late Registration fee is charged beginning on the first day of each term.

Deadlines for course refund eligibility differ according to term length, as follows:

- 15-week terms: Full refunds are available for classes dropped within the *first seven days* of the associated term (NOT the *class* start date).
- Terms shorter than 15 weeks: Full refunds are available for classes dropped within the *first two days* of the associated term (NOT the *class* start date).

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal. No refund of tuition or fees will be made to a student who is withdrawn from a course by an instructor due to non-attendance or who is dismissed from the college for cause.

*Please be aware that dropped classes or withdrawals can cause adjustments to any financial aid awards, resulting in a balance being due to the college for tuition.*

# Paying for Your Education

Community colleges charge the lowest tuition and fees of all higher education institutions. Mercer County Community College receives significant support from Mercer County and the State of New Jersey, but courses are not free. Students are required to pay for a portion of their education. To determine the cost of a course, consider tuition and college fees, special course fees, books and supplies.

## Tuition and Fees

Tuition and college fees are calculated on a per-credit basis. The table on page 44 will help you determine how much you owe based upon the total number of credits you are taking and your residency. Besides regular tuition and college charges, some courses carry an additional fee.

## Books and Supplies

Students must purchase their own textbooks and supplies. The Mercer Bookstore (see page 41 for hours and locations, or order online at [www.mcccshop.com](http://www.mcccshop.com)) guarantees the availability of these for any course offered at MCCC. Acceptable methods of payment include cash, credit card, and financial aid (checks not accepted). Most textbooks can also be rented; please see website for details.

### Join Us for Summer and Winter Sessions

Mercer County Community College enrolls many students from other colleges and universities during MCCC's Summer and Winter sessions. While you're home, why not enroll in an affordable MCCC course to make up missed coursework, improve a grade, speed the completion of your degree, pursue an additional interest -- or meet people like yourself from schools far and near!

Most **Summer** classes, six weeks in duration, typically begin the third week in May and the first week in July. A limited selection of accelerated **Winter Session** classes begin late December (MercerOnline) and early January (on-campus).

We recommend that you confirm with your home college/university that they will accept the credits that you intend to obtain from Mercer County Community College.

After completing your course at MCCC, request an official transcript to be sent back to your college from MCCC.

**Choose one of the 4 convenient ways to register.**  
Register early to avoid late fees! See page 44 for key dates.

**PLEASE NOTE:** Due to their popularity, some high-demand classes may already be filled. *Register early for improved chances of course availability and best class selection.*
