Complete your degree early

If you are currently a student at Mercer or at another college, you can accelerate your program or lighten your course load for future semesters by taking courses during the summer.

Save a semester

In as few as six weeks you can earn credits that can save you time and money. Earn credits this summer at MCCC, and you'll still have time to visit the shore.

Advance your career

Sharpen your skills for your present occupation or start on the road to a new career. This summer Mercer is offering an array of courses in accounting, business, communication, computers, criminal justice, English, hospitality, humanities, mathematics, sciences, social sciences, visual arts, and more.

Try something new

Now is the time to try your hand at a different field of study or follow up on an interest you haven't had time to pursue. Learn to paint, to program a computer, to speak English as a second language. . . Explore new ideas.

Equal Opportunity Policy

Mercer County Community College is committed to a policy of equal treatment and opportunity in every respect of its relations with current and prospective faculty and staff members, without regard to race, color, religion, affectional or sexual orientation, gender and/or gender identity or expression, marital or parental status, ethnicity, nationality, veteran or military status, age, disability and any other legally protected basis. COURSE	SECTION	TYPE	DAYS	TIME start / end		TERM start / end		LOCATION	CREDITS
ENG—English		Course descriptions, prerequisites, corequisites > www.mccc.edu/courses/ENG							
Note: Initial selection of an English composition course is determined by a placement test. Call the Liberal Arts Division or the Academic Testing Center for details. English courses are sequential. Therefore, a student must satisfy the composition requirement — with a minimum grade of C in ENG102 — before taking literature (200 level) courses. Applicability of credits in courses below the 100 level toward degree requirements is limited.									
Note: The English Department offers sections of English Composition I and II that are specifically designated for non-native speakers of the English language. For more information, contact Fran Davidson, (609) 570-3852.									
ENG101/102 WEB: Students who register for MercerOnline classes of ENG101 or ENG102 are required to write two essays, one at the beginning of the semester and one at the end, in the Academic Testing Center on the West Windsor campus. Further information about this requirement can be obtained by calling (609) 570-3308.

Note: Initial selection of a mathematics course is determined by the results of a placement test. Contact the Business & STEM Division or the Academic Testing Center for details. Applicability of credits in courses below the 100 level is limited. Students who have completed math courses at another college must present transcripts.							
Mathematics Placement: Students not required to take pre-college review mathematics should take the Mathematics Course Placement Test to determine the appropriate level of math. A pretest and authorization form may be obtained at the Business & STEM Division office (BS 134) or from a counselor. The placement test is given in the Academic Testing Center, and the results are discussed and reviewed with a member of the mathematics faculty.

These agreements enable Mercer students to predict how their course credits will transfer.

MCCC's **special partnerships** with Fairleigh Dickinson University, Felician University, Rutgers University, William Paterson University, and Wilmington University make it convenient for students to finish certain bachelor's or master's degrees on-site at Mercer.

For those who are undecided about transferring, the college maintains resources and offers appointments and workshops to students to allow them to explore options at other colleges and universities. Mercer is just the beginning!

For more information about the transfer opportunities at Mercer, call Transfer Services at (609) 570-3397, visit www.mccc.edu, or email transfer@mccc.edu.

Placement Testing

Students enrolling at Mercer may be required to take a placement test. Available at the Testing Center on both campuses, the exam measures skills in reading. Placements into Math courses are made by assessing a student's previous coursework and other factors. A small number of students may be asked to take a placement test to show their readiness for pre-calculus or calculus. Placement test results will not affect admission to the college; however, the scores will determine eligibility for certain courses and programs.

Who Should Test

- students who do not have SAT, ACT, or PARCC scores;
- students who have graduated from high school more than five years ago;
- transfer students who have not completed English requirements;
- students for whom English is a second language, ESL students.

Arrangements for Testing

After completing a college admissions application, students may arrange to take the placement test by contacting the preferred testing location: the Academic Testing Center at the West Windsor Campus (609-570-3295 or e-mail wwtesting@mccc.edu) or the Testing Center at the James Kerney Campus (609-570-3151 or e-mail jkctesting@mccc.edu).

Payment and Refund Policies

Deadlines for refund eligibility and avoiding Late Registration fees: Please note the “Key Dates” specified at left.

A one-time \$35 Late Registration fee is charged beginning on the first day of each term.

Deadlines for course refund eligibility differ according to term length, as follows:

- 14-week terms: Full refunds are available for classes dropped within the *first seven days* of the associated term (NOT the *class* start date).
- Terms shorter than 14 weeks: Full refunds are available for classes dropped within the *first two days* of the associated term (NOT the *class* start date).

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal. No refund of tuition or fees will be made to a student who is withdrawn from a course by an instructor due to non-attendance or who is dismissed from the college for cause.

Please be aware that dropped classes or withdrawals can cause adjustments to any financial aid awards, resulting in a balance being due to the college for tuition.

Paying for Your Education

Community colleges charge the lowest tuition and fees of all higher education institutions. Mercer County Community College receives significant support from Mercer County and the State of New Jersey, but courses are not free. Students are required to pay for a portion of their education. To determine the cost of a course, consider tuition and college fees, special course fees, books and supplies.

Tuition and Fees

Tuition and college fees are calculated on a per-credit basis. The table on page 24 will help you determine how much you owe based upon the total number of credits you are taking and your residency. Besides regular tuition and college charges, some courses carry an additional fee.

Books and Supplies

Students must purchase their own course materials. The Mercer Bookstore (see page 21 for hours and locations, or order online at www.mcccshop.com) guarantees the availability of these for any course offered at MCCC. Acceptable methods of payment include cash, credit card, and financial aid (checks not accepted). Most textbooks can also be rented; please see website for details.

Payment of Course Costs

Tuition and fees are due upon registration, either by Payment Plan arrangements or paying in full by cash, check, money order, VISA, MasterCard, American Express or Discover. Payment can be made in person, by mail or at www.mccc.edu if you use a credit card. Questions about your bill should be directed to the Bursar's office at bursar@mccc.edu.

Financial Aid

You will be considered for federal, state and MCCC financial aid if you complete the **Free Application for Federal Student Aid (FAFSA)** at www.fafsa.gov.

Our financial aid staff can answer your questions and may be able to help you complete the forms. However, processing may take up to 60 days, so apply as early as possible — even before completing an application for admission.

Help is available at the Financial Aid Office on the first floor of the Administration Building (AD) at the West Windsor Campus (609- 570-3210) and the Student Services Office in room 218 at the James Kerney Campus (609-570-3180). E-mail finaid@mccc.edu or visit our web page at www.mccc.edu and click on Financial Aid FATV.

Unemployed?

Tuition may be waived for unemployed persons during **Late Registration only**. Consult your local unemployment office for benefit details. **Students are responsible for paying any applicable fees and for covering expenses for textbooks and other class materials.**

Senior Citizens

Mercer County residents who are 65 or older may enroll in courses without paying full tuition — but **paying all fees** — if seats are available in a class after paying students have registered. To take advantage of this opportunity, senior citizens must register in person at either the West Windsor or James Kerney campus and pay the applicable semester fees.

HOPE Scholarship

You may be eligible for up to \$1500 in tax credits. Details at www.irs.ustreas.gov.

Vet Assistance

MCCC is approved for veterans' training under various GI Bills. Information: (609) 570-3240.

Join Us for Summer and Winter Sessions

Mercer County Community College enrolls many students from other colleges and universities during MCCC's Summer and Winter sessions. While you're home, why not enroll in an affordable MCCC course to make up missed coursework, improve a grade, speed the completion of your degree, pursue an additional interest -- or meet people like yourself from schools far and near!

Most **Summer** classes, six weeks in duration, typically begin in late May and the first week in July. A limited selection of accelerated **Winter Session** classes begin late December (MercerOnline) and early January (on-campus).

We recommend that you confirm with your home college/university that they will accept the credits that you intend to obtain from Mercer County Community College.

After completing your course at MCCC, request an official transcript to be sent back to your college from MCCC.

MERCER HONORS PROGRAM

an enriched college experience for highly motivated and intellectually curious students

The **Mercer Honors Program** is an enriched college experience for highly motivated and intellectually curious students with a commitment to cultivating complex understanding and innovation in their academic work. It features smaller discussion-based seminar classes and creative laboratory experiences.

The program is not a separate college track or major. Students matriculate into an MCCC degree program and take one or more honors courses each semester toward fulfillment of their general education and program requirements.

Students have access to a range of honors courses in biology, business and technology, chemistry, composition, humanities, mathematics, and social sciences.

The distinction of honors coursework shows clearly on transcripts, and students who take honors classes are exceptionally well-prepared for transfer to four-year colleges and universities.

For more information about the program and placement, visit www.mccc.edu/honors or email Dr. Bettina Caluori, Director of Mercer Honors Program, at caluorib@mccc.edu.
