What Is DSST/DANTES?

The DSST program provides the opportunity for people to earn college credit for what they have learned outside of the traditional classroom. Many colleges and universities nationwide accept or administer DANTES/DSST to enable people to accomplish their educational and professional goals. Each of the exams is approved by the American Council on Education.

DSST exams are approximately 2 hours on computer. Students receive instant score reports following the completion of the exam with the exception of optional essay sections to be read by designated faculty of the chosen institution for credits.

*****We do not administer the PUBLIC SPEAKING Exam at our test site*****

Practice exams are available at www.getcollegecredit.com to help you prepare.
