

ENROLLMENT PARTNERSHIP AGREEMENT MERCER COUNTY COMMUNITY COLLEGE AND THOMAS JEFFERSON UNIVERSITY: COLLEGE OF HEALTH PROFESSIONS

Student Transfer Guide | College of Health Professions

Covered Jefferson Programs

- **Medical Laboratory Sciences & Biotechnology:** Biotechnology; Cytotechnology & Cell Sciences (combined BS/MS option only); Medical Laboratory Sciences; MLT to MLS.
- **Respiratory Therapy:** Entry into Practice 2+2 BS.
- **Medical Imaging & Radiation Sciences:** Radiography, MRI, CT, ICVT, Radiation Therapy, Abdomen-Extended/OB-GYN Sonography, Cardiac Sonography, Vascular Sonography, and Medical Dosimetry (program/concentration availability and additional requirements vary).
- **Online Emerging Health Professions:** BS in Behavioral & Health Services, Health Sciences, Health Studies, Health Services Management, Health Insurance Management; certificates in Medical Coding & Data Quality, Medical Practice Management, and Healthcare Information Systems.

Key Student Benefits & Requirements

Junior status	Complete an MCCC associate degree and the applicable prerequisites, then be admitted to a covered Jefferson program.
Application fee	Waived for students applying through the agreement.
Scholarships / aid	Consideration for merit scholarships; financial aid may be available with timely FAFSA completion.
Minimum course grade	A grade of C or better is required for general education courses transferred to Jefferson.
Planning	Work with MCCC and Jefferson advisors early; courses outside the agreement are evaluated individually.

Important Notes

- Program-specific admission requirements apply. The overall agreement itself does not guarantee admission to every Jefferson program.
- Some science courses have recency requirements, and repeating two or more prerequisite courses may trigger additional program review.
- Electives identified in the agreement must be theory-based; remedial/review courses and Pass/Fail coursework are not accepted for those requirements.
- Students who do not complete the applicable MCCC associate degree and prerequisites are evaluated by Jefferson on a course-by-course basis.

ONLINE EMERGING HEALTH PROFESSIONS PROGRAMS

MCCC graduates have a direct pathway to several **fully online bachelor's degree and certificate programs** within Thomas Jefferson University's **Institute for Emerging Health Professions**. Eligible students who successfully apply and meet all required criteria are **guaranteed a seat** in their selected program.

Eligible online programs include:

- B.S. in Behavioral & Health Services
- B.S. in Health Sciences
- B.S. in Health Studies
- B.S. in Health Services Management
- B.S. in Health Insurance Management
- Certificate in Medical Coding & Data Quality
- Certificate in Medical Practice Management
- Certificate in Healthcare Information Systems

To qualify for the guaranteed-seat pathway, students must:

- Graduate from MCCC with an **A.A., A.S., or A.A.S. degree**
- Earn a **minimum 2.0 cumulative MCCC GPA**
- Meet any additional Thomas Jefferson University admission requirements for the selected program
- Apply to Jefferson during the semester before the intended start term, or **within 36 months of graduating from MCCC**

Next Step

Plan ahead for transfer: Students are strongly encouraged to meet with a **Thomas Jefferson University Admissions Representative and/or an MCCC Academic Advisor** before transferring. Early planning can help students select courses that maximize the number of credits that apply toward their Jefferson degree. The agreement lists Jefferson Transfer Admissions at 215-951-2800 for questions.
