

Memorandum of Understanding

Thomas Edison State University And Mercer County Community College

This Memorandum of Understanding (MOU) is entered into between Thomas Edison State University (the University) and **Mercer County Community College (MCCC)** for the purposes of creating an **Undergraduate** degree completion program. The University and MCCC are referred to herein individually as “Party” and collectively as “Parties”.

1. Thomas Edison State University

Thomas Edison State University provides distinctive undergraduate and graduate education for self-directed adults through flexible, high-quality collegiate learning and assessment opportunities. Thomas Edison State University was established by the State of New Jersey and chartered by the New Jersey Board of Higher Education in 1972. The University was founded for the purpose of providing diverse and alternative methods of achieving a collegiate education of the highest quality for mature adults. Thomas Edison State University is accredited by the Middle States Commission on Higher Education.

2. Mercer County Community College

Mercer County Community College is a comprehensive, publicly supported two-year institution focused on learning and student success. The college welcomes students of all ages from a wide variety of backgrounds, abilities, interests, levels of education, and economic circumstances to a challenging and supportive environment dedicated to meeting the educational needs of 21st century global citizens and lifelong learners. Mercer responds to a broad array of community needs, offering programs and services for employers, continuing education and training for the workforce, enrichment for youth, and cultural opportunities for people in the region.

This undertaking by the University and MCCC is intended to provide MCCC students a pathway to the baccalaureate degree programs at the University. The Parties agree to cooperate in articulating their academic programs and services so that students may take full advantage of their combined educational opportunities and that the institutions may benefit from their cooperative initiatives.

For the purpose of facilitating student articulation, MCCC and the University agree in principle to maintain transfer guidelines outlining policies, procedures, program transfers and, where possible, specific course equivalencies for students transferring from an associate degree program to the University. Both the University and MCCC will make available to all interested students the appropriate transfer information as outlined in this MOU.

The University and MCCC will implement this MOU in accordance with the rules and regulations of all applicable New Jersey State and United States federal education regulatory authorities. Both institutions will cooperate in providing information and data needed to comply with these requirements.

3. Academic Programs

The University, through a review based upon the MCCC curriculum and in consultation with MCCC will accept students into the Bachelors program specified in Appendix A. Additional programs, mutually agreed upon by both parties, may be added to this agreement through an addendum to Appendix A.

Students must follow the Thomas Edison State University *Undergraduate Catalog* that is in effect on the date of enrollment to determine graduation requirements.

All associates degrees earned under the terms of this MOU will be granted by MCCC.

4. Curriculum

The curricula for the degrees specified in this agreement are detailed in Appendix A.

The curricula for MCCC associate degree programs will transfer to the University through the University’s policies and procedures for transfer credit acceptance.

The University will provide degree template(s), as needed, which specify the courses/examination required in order to earn an approved baccalaureate degree. The University reserves the right to modify the curriculum at any time.

The University will accept up to 90 credits from MCCC based on current policies and procedures unless otherwise specified in this agreement. Duplicated courses among multiple programs may receive transfer credit only once. All credits must be documented on an official transcript from MCCC.

The University will notify MCCC if any changes are made to degree programs covered under this agreement. Any examinations, courses or academic materials created by the University under the terms of this MOU will be the sole property of the University. The University retains the right to determine which examinations, courses and academic materials it will develop at its expense. Examinations, courses and academic materials developed at the request of MCCC will be completed under a separately executed agreement.

5. Relationship Between Parties

The Parties are independent contractors, and neither Party will hold itself out to be the agent, employee, partner or joint venture of the other Party. When used by the Parties, the terms, "partner" or "partnership," are for convenience of reference, and have no legal significance.

6. No Third Party Beneficiaries

Nothing herein expressed or implied is intended or shall be construed to confer upon or give to any person or entity, other than the Parties hereto, any rights or remedies, under or by reason of this MOU.

7. Assignment

Neither Party will voluntarily or by operation of law assign or otherwise transfer its obligations under this MOU, without the prior written consent of the other party.

8. Responsibility

Each Party shall be responsible for its own acts and omissions, as well those of its employees, officers and agents.

9. Non-Discrimination

For the purposes of this MOU, the Parties agree to abide by all applicable federal and New Jersey state laws and regulations prohibiting discrimination.

10. Family Educational Rights and Privacy Act

The Parties acknowledge that this MOU is subject to the Family Educational Rights and Privacy Act, a United States federal law that precludes the release of education records without the written consent of the student, with certain limited exceptions.

11. Publications and Marketing

The University and MCCC will jointly promote this undertaking to students of MCCC. All materials mentioning the relationship must be approved in writing by both the University and MCCC, prior to their publication and distribution, and such approval will not be unreasonably withheld. This includes such publications as newsletters, press releases, electronic postings or other publications mentioning this arrangement.

12. Liaisons and Communication

MCCC will identify a contact person within its organization who will serve as a liaison with the University regarding this undertaking. The liaison will be able to answer basic questions about the University for students from MCCC and provide such students with copies of University materials as needed.

The University will identify a contact person within the University who will serve as the liaison to MCCC for this undertaking. The University will provide to the MCCC liaison all articulation materials as needed and/or as requested.

The liaisons at the University and MCCC shall maintain a minimum of quarterly contacts to discuss the program and the administration of this undertaking.

The parties shall undertake to resolve in good faith any concerns or questions which may arise concerning the terms and implementation of this Memorandum of Understanding.

Whenever any notice is to be given here under, it shall be in writing and shall be deemed received (if delivered by courier on business day) on the day delivered, or three business day following mailing, if sent by first-class certified or registered mail or postage prepaid.

Any formal communication should be directed to:

Thomas Edison State University
111 West State Street
Trenton, NJ 08608-1176

Mercer County Community College
1200 Old Trenton Road
West Windsor, NJ 08550

Alison Maysilles, MAT
Assistant Director of Strategic Initiatives
Office of the Provost & Senior Vice President

Andrea Lynch, EdD
Professor: Business, Technology, Professional
Studies

13. Tuition and Fees

Tuition and fees related to application, enrollment, and services are to be paid directly by the students to the respective institutions. For students enrolling through this program, students will pay **MCCC** tuition and fees, if applicable, for enrollment in **MCCC** courses and students will pay the applicable University tuition and fees when enrolling in the University courses. Respective tuition and fee schedules are posted on each institution's Web site. While tuition and fees are generally established annually, they are subject to change without prior notice.

The University and **MCCC** retain the right to change their tuition and fees at their discretion and as approved by their Board of Trustees.

14. Program Assessment

The effectiveness of the Parties' relationship will be assessed on an ongoing basis. A process and the criteria for this assessment will be mutually determined by Thomas Edison State University and **MCCC**. This report will be completed in collaboration by both organizations.

15. Duration of the MOU

This MOU is in effect for a three-year period beginning on the date of the last signature by the duly authorized signatory of a Party, and may be extended by written agreement of both Parties. This MOU will automatically renew at the conclusion of the second year for an additional three-year period, unless one of the parties indicates its objection to such a renewal in writing at least 90 days before the last day of the second year.

16. Laws of Governance

The laws of the United States, the State of New Jersey shall govern this MOU. It is agreed and understood that any contracts and/or orders placed as a result of this MOU shall be governed and construed and the rights and obligations of the parties here to shall be determined in accordance with the laws of the United States and the State of New Jersey. This MOU and any and all litigation arising there from or related thereto shall be governed in accordance with the laws of the State of New Jersey, regardless of conflict of laws principles, and venue shall reside in a court of competent jurisdiction located in Mercer County, New Jersey.

17. Changes, Amendments or Termination

This MOU represents the entire understanding of the Parties with respect to the subject matter. No changes, modifications, extensions, terminations or waiver of this MOU, or any of the provisions herein contained, shall be valid unless made in writing and signed by duly authorized representatives of the Parties hereto.

This MOU may be terminated by **MCCC** or the University upon the giving of ninety (90) days prior written notice to the other if either Party determines, in its discretion, that the project is no longer academically, technically, or commercially feasible. Should this MOU be terminated, students enrolled with the University will be given two years to complete their studies under the terms of this agreement. Students who become inactive during this two year period will not be allowed to reenroll under the terms of the agreement.

This agreement supersedes and replaces all previous signed agreements.

18. Force Majeure

The failure or omission by either of the Parties to perform any obligation contained in this MOU shall not be deemed a breach of this MOU if the same shall arise from any causes beyond the control and without the fault or negligence of such Party, including, but not restricted to, acts of God, acts of federal, state, or local governments or any agency thereof, requests of any governmental authority or any officer, department, agency or instrumentality thereof, fire, storm, flood, earthquake, explosion, accident, acts of the public enemy, war, terrorism, rebellion, insurrection, riot, sabotage, epidemic, quarantine restrictions or transportation embargoes.

IN WITNESS WHEREOF duly authorized representatives of the Parties have entered into this MOU as of the date written below.

Cynthia G. Baum, PhD
