

IDENTIFYING FRAUDULENT IDENTITY DOCUMENTS

NEW ADVANCED COURSE

BY **VASIL I.D. TRAINING LLC** hosted by

Mercer County Police Academy

This comprehensive, one-day “hands-on” **advanced** course is designed to assist law enforcement officers with the growing trend in the use of fraudulent identity documents. These authentic-looking “modern day” credentials that are available online have compromised nearly every security feature on their ID’s making them virtually “**undetected**” and **more sophisticated than “ID Chief”** counterfeits of a few years ago. This course will instruct law enforcement officers the proper ID protocol to detect/identify these fraudulent ID’s. Officers will be able to handle genuine and counterfeit ID’s side by side for comparison. Instruction will include methods to **detect counterfeit driver licenses from all 50 states along with social security cards, green cards, Passports (US & Foreign) as well as International Driving Permits, Canadian and Mexican documents.** Special instruction includes how to **detect altered documents (titles)**. Instruction will include appropriate 2C statutes.

INSTRUCTOR: JOSEPH VASIL, retired as Coordinator from NJ MVC Fraudulent Document Training Unit after 35 years of service as a nationally recognized expert in document fraud. He was appointed to head the NJ Attorney General/MVC Document Fraud Taskforce in 2002. Certified N.J. police instructor. Certified expert witness in Federal and State courts. He has trained NYPD, Newark JTTF, NJSP, NY/NJ Port Authority Police, along with many Federal and Local police agencies in NJ/NY/PA. Mr. Vasil has successfully trained more than 16,000 law enforcement officers over the last 25 years.
