BENCHMARK PROFESSIONAL SEMINARS, INC. PRESENTS:

DEATH CASE INVESTIGATION: PERSPECTIVES ON THE PROCESS

January 15-16, 2009

8:30 a.m. – 4:00 p.m.

Fee: \$295.00 per person (15% discount for 3 or more)

Location: Mercer County Police Academy Satellite Facility: Dempster Fire Service Training Center, 350 Lawrence Station Road, Lawrenceville, NJ 08648

Course Description: The seminar is offered for officers and investigators who have little previous training in death related cases or those who desire a refresher seminar on these types of investigations. Topics to be covered include: (1) role of forensic science in death case investigation; (2) typical wounds encountered in such cases; (3) evidence collection and methods of transport; (4) case specific crimes and situations; (5) dealing with witnesses; (6) suspect apprehension; (7) basic interview and interrogation methods; (8) importance of documentation for successful case conclusion. **INSTRUCTOR:** Detective John Fallon, Criminal Investigation Unit, Montgomery County Prosecutor's Office, Norristown, Pennsylvania.

Registration: Registration form and course information can be located at:

www.le-seminars.com or Contact: Benchmark Professional Seminars, Inc. Wilmington, Delaware) 654-9091 (Voice) * (302) 225-4165 (Fax) * info@le-seminars.com (Email)

Registrations must be completed no later than January 7, 2009 by purchase order or check. Benchmark Professional seminars, Inc. is registered with the New Jersey Department of Revenue and accepts local, county and state purchase orders. Mastercard and Visa also accepted for registration. To register using a credit card, call Jacob Haber directly at (302) 654-9091.
