

Mercer County Community College 2014 Short-term, Faculty-led, Study Abroad program proposal

If you are a MCCC faculty and have considered designing or leading a faculty-led study abroad program, the study abroad office is now accepting proposals for 2014 programs. All proposals received by April 5th, 2013 will be considered. Complete the following questions and submit this proposal to the study abroad office (BS109) or email it to studyabroad@mccc.edu by **April 5th**. If you have questions, you can email or call the study abroad office at ext. 3660. The travel arrangements will be made during the summer and you may need to be available to review and finalize the details. Marketing for these programs will begin in September 2013.
