MercerOnline's Spring Training

MO-101/102 Blackboard Instructor Training Online:

A one-week online training provides the technology skills necessary for faculty who want to have a Blackboard add-on for a face-to-face course or who want to teach a previously designed or Master online course. MO 101/102 online training is open for one week. On the first day of training, MercerOnline offers an optional one-hour face-to-face orientation (12-1pm) and an online synchronous orientation (6-7pm).

Dates starting week of: **February 8, February 22, March 7, March 21, and March 29**

MO-103 Blackboard Grade Center Training (noon-1pm in CM126B):

This one-hour face-to-face training will help faculty "new to Blackboard" get started with Grade Center. In order to register for this training faculty must have completed MO 101/102 and have grading plan(s) for the course(s) that will use Blackboard Grade Center.

Dates: **Wednesday, February 17 and March 30**

MO104 Intro to the Cloud (noon-1pm in CM126B) – Monday, March 7

During this session, participants will learn about the agility of the cloud, security recommendations and cloud usage best practices.

MO-105 – Intro to Zoom (noon-1pm in CM126B) – Wednesday, April 6

During this session, participants will learn about the video conferencing tool, Zoom, which may be used in online classes for student meetings and synchronous learning sessions.

MO-210 Bb Advanced Training – Designing and Developing a Hybrid Course (6pm-9pm in CM126B) – Wednesday, April 20

In this course, those who are experienced in teaching online at Mercer County Community College will explore designing and developing a hybrid course.
