Homework 3 - Information Literacy (draft of the paper)

Submit a first draft of your 3-5 page research paper to your instructor. The paper should:

a. Present 3 main findings from your research.
b. Communicate a significant degree of understanding and appreciation of the topic.
c. Draw important conclusions about your findings.
d. Include in-text citations in APA format and a references page

Grading Rubric:

	Points

Draft of paper is
          10 – very comparable to the final paper with very few
                modifications.
          9 – comparable to the final paper with several modifications.
          8 – comparable to the final paper with many modifications.
          7 – comparable to the final paper but incomplete.
          6 – not comparable to the final paper.
          0 – No attempt at a draft of the paper.
