Refund Policies

Deadlines for course refund eligibility differ according to term length, as follows:

- 15-week terms: Full refunds are available for classes dropped within the *first seven days* of the associated term (NOT the class start date).
- Terms shorter than 15-weeks: Full refunds are available for classes dropped within the *first two days* of the associated term (NOT the class start date).

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal. No refund of tuition or fees will be made to a student who is withdrawn from a course by an instructor due to non-attendance or who is dismissed from the college for cause.

Please be aware that dropped classes or withdrawals can cause adjustments to any financial aid awards, resulting in a balance being due to the college for tuition.
